Dear Parents/Guardians,

RE: COVID-19 Financial Support

Dear Parents and Guardians

I write to you today to reassure families impacted financially by the coronavirus (COVID-19) pandemic that we want to assist you in every way possible to continue your child's enrolment at St John's Regional College.

As many in our school community grapple with unprecedented changes to finances, emotional wellbeing and physical health, we have taken a clear position on enrolments.

No parent or guardian who wishes their child to receive a Catholic education at St John's Regional College will be denied the opportunity to do so because of financial circumstances.

If you have concerns about your financial situation, please contact our Finance Team so that we can explore confidential financial support arrangements to enable your child's ongoing education at our school.

To facilitate your planning, we will respond to applications as promptly as possible given our own constraints during this time.

We are absolutely committed to working with our families as we get through these challenging times.

If you have any questions or concerns regarding these arrangements, please do not hesitate to contact the Business Manager, Mr Nic Salvatore.

Thank you for your continued support of the St John's Regional College community.

This support will enable us to continue to provide rich and engaging learning activities, and strong pastoral support for all of our students.

Yours sincerely

Tim Hogan
Principal
