COLLEGE TRANSPORT

St John's Regional College provides a variety of transport options to assist parents in getting their students to school. Bus travel arrangements are a combination of Private School Charters and Dedicated School Runs operated by Public Transport Victoria.

If you choose to use the **Charter Bus Program**, there is annual contribution of \$1,180 which will be charged to your bus fee account. The timetables are devised to ensure cost-effectiveness with optimum student participation and geographical limitations.

To indicate your need to use the Charter Bus Program, you must book your student on the bus and numbers are limited.

How to Book

Bookings operate on a first in basis via Trybooking and there is no cost to book

Try booking links are available under "Transport" on the Enrolments page of the College Website

www.sjrc.vic.edu.au

To be allocated a bus service in 2021, please complete the following steps:

1. Work out the Bus Service that best suit your needs
2. Apply for a bus place via the relevant Trybooking Link for your preferred service for each student individually

You will be asked to enter the following information on your preferred bus:

- Student Name
- Year Level in 2021
- Address

If the bus is already full, please add your child's name on the waiting list.

If you choose to use the **Dedicated School Runs** operated by Public Transport Victoria, your student must travel with a valid MYKI and there are no bookings required for this service.

How to get a Student Concession Card

MYKI application forms will be available from the College reception and on the website early in 2021

- i. Complete the application form supplying two legible passport sized photos.
- ii. Bring the form into the Front Office to be stamped and signed at the College.
- iii. Once signed and stamped, you are required to take it to Dandenong train Station with payment, where a Concession Card will be issued.

Students can choose to top up or purchase a yearly or half yearly pass to travel with their MYKI
